Our staff will honor your family's wishes with dignity and respect.

We are here to make cremation a streamlined and affordable process.

We intend to meet your needs and exceed your expectations.

The Simple Cremation Process

- ⇒ Call our dedicated care team for assistance or initiate arrangements online at simplecremationmt.com
- ⇒ Trained staff and a service vehicle will arrive at the place of death and transport your loved one to one of our care facilities.
- ⇒ Licensed staff will complete and file the death certificate in the county of death, secure cremation authorizations from next of kin and obtain the cremation permit.
- ⇒ Cremated remains will be returned to a verified postal address or a family appointed representative may take possession of the cremated remains at one of our care facilities.

Death Certificates are filed in the county of death. Certified copies may be requested from that counties Clerk and Recorder.

Medical Examination – Law Enforcement Examination – Autopsy

When a medical examination or autopsy is being performed by a county coroners office our staff will communicate and coordinate with the office conducting the investigation. Our removal staff can only take possession of the deceased once the medical investigation is complete.

Body Donation and Procurement - *This is not the same as Organ Donation (heart, lungs, liver, kidney, etc.)*

Tissue donation, if your family so chooses, is a wonderful gift. However, Our staff has witnessed 2–18 hours between the time of death and the procurement team completing their operation and releasing the remains. There will be visual side effects from the procurement process; viewing the deceased is not possible without embalming and possible reconstructive procedures.

Stillborn Infant and Children's Death Policy

In the event of still-born death or infant death our company will offer our service at no cost to the family.
